

Dear Partner:

We take pleasure in inviting you to share with us highlights and focus points in the development of Technolase. With regard to our main products, we have:

Ellipse Range:

- Microlight — Hair only +/- skin rejuvenation
- SPT+ Multiple functions, Touchscreen + database — Hair, skin rejuvenation, vascular and pigmentation
- I²PL + (Medical) — Clinical — Same as SPT+ and extra vascular
- Multi-Flex + Nd:YAG (leg veins) — Same as the above + leg veins + onychomycosis

TESTIMONIAL:

I bought my Ellipse SPT 9 years ago and have generated revenue of R265 094 20. This was my best buy ever. I also use Novashape and now Fotona XP Focus for leg veins.
